
Appendix C

FIGURE	TITLE
C 3.1	Distribution and number of authorized leases for Overwater Structures
C 3.2	Distribution and number of authorized leases for Outfalls
C 3.3	Distribution and number of authorized leases for Utilities
C 3.4	Distribution and number of authorized leases for Transportation Activities
C 3.5	Distribution and number of authorized leases for Flood/Wave/Erosion Control Structures
C 3.6	Distribution and number of authorized leases for Aquaculture Activities
C 3.7	Distribution and number of authorized leases for Mitigation and Enhancement Activities
C 3.8	Distribution and number of authorized leases for Miscellaneous nearshore activities
C 3.9	Distribution and number of authorized leases for Complex Activities
C 3.10	Distribution and number of authorized leases for Unknown Activities

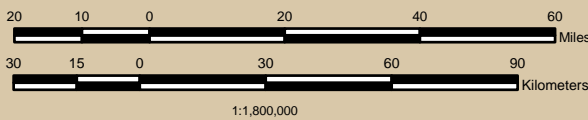

Appendix C 3.1 Distribution and number of authorized leases for Overwater Structures

This map is for planning purposes only. Extreme care was used during the compilation of this map to ensure accuracy. Washington's Department of Natural Resources, ENTRIX and Battelle cannot accept responsibility for errors or omissions, and therefore, there are no warranties that accompany this material.

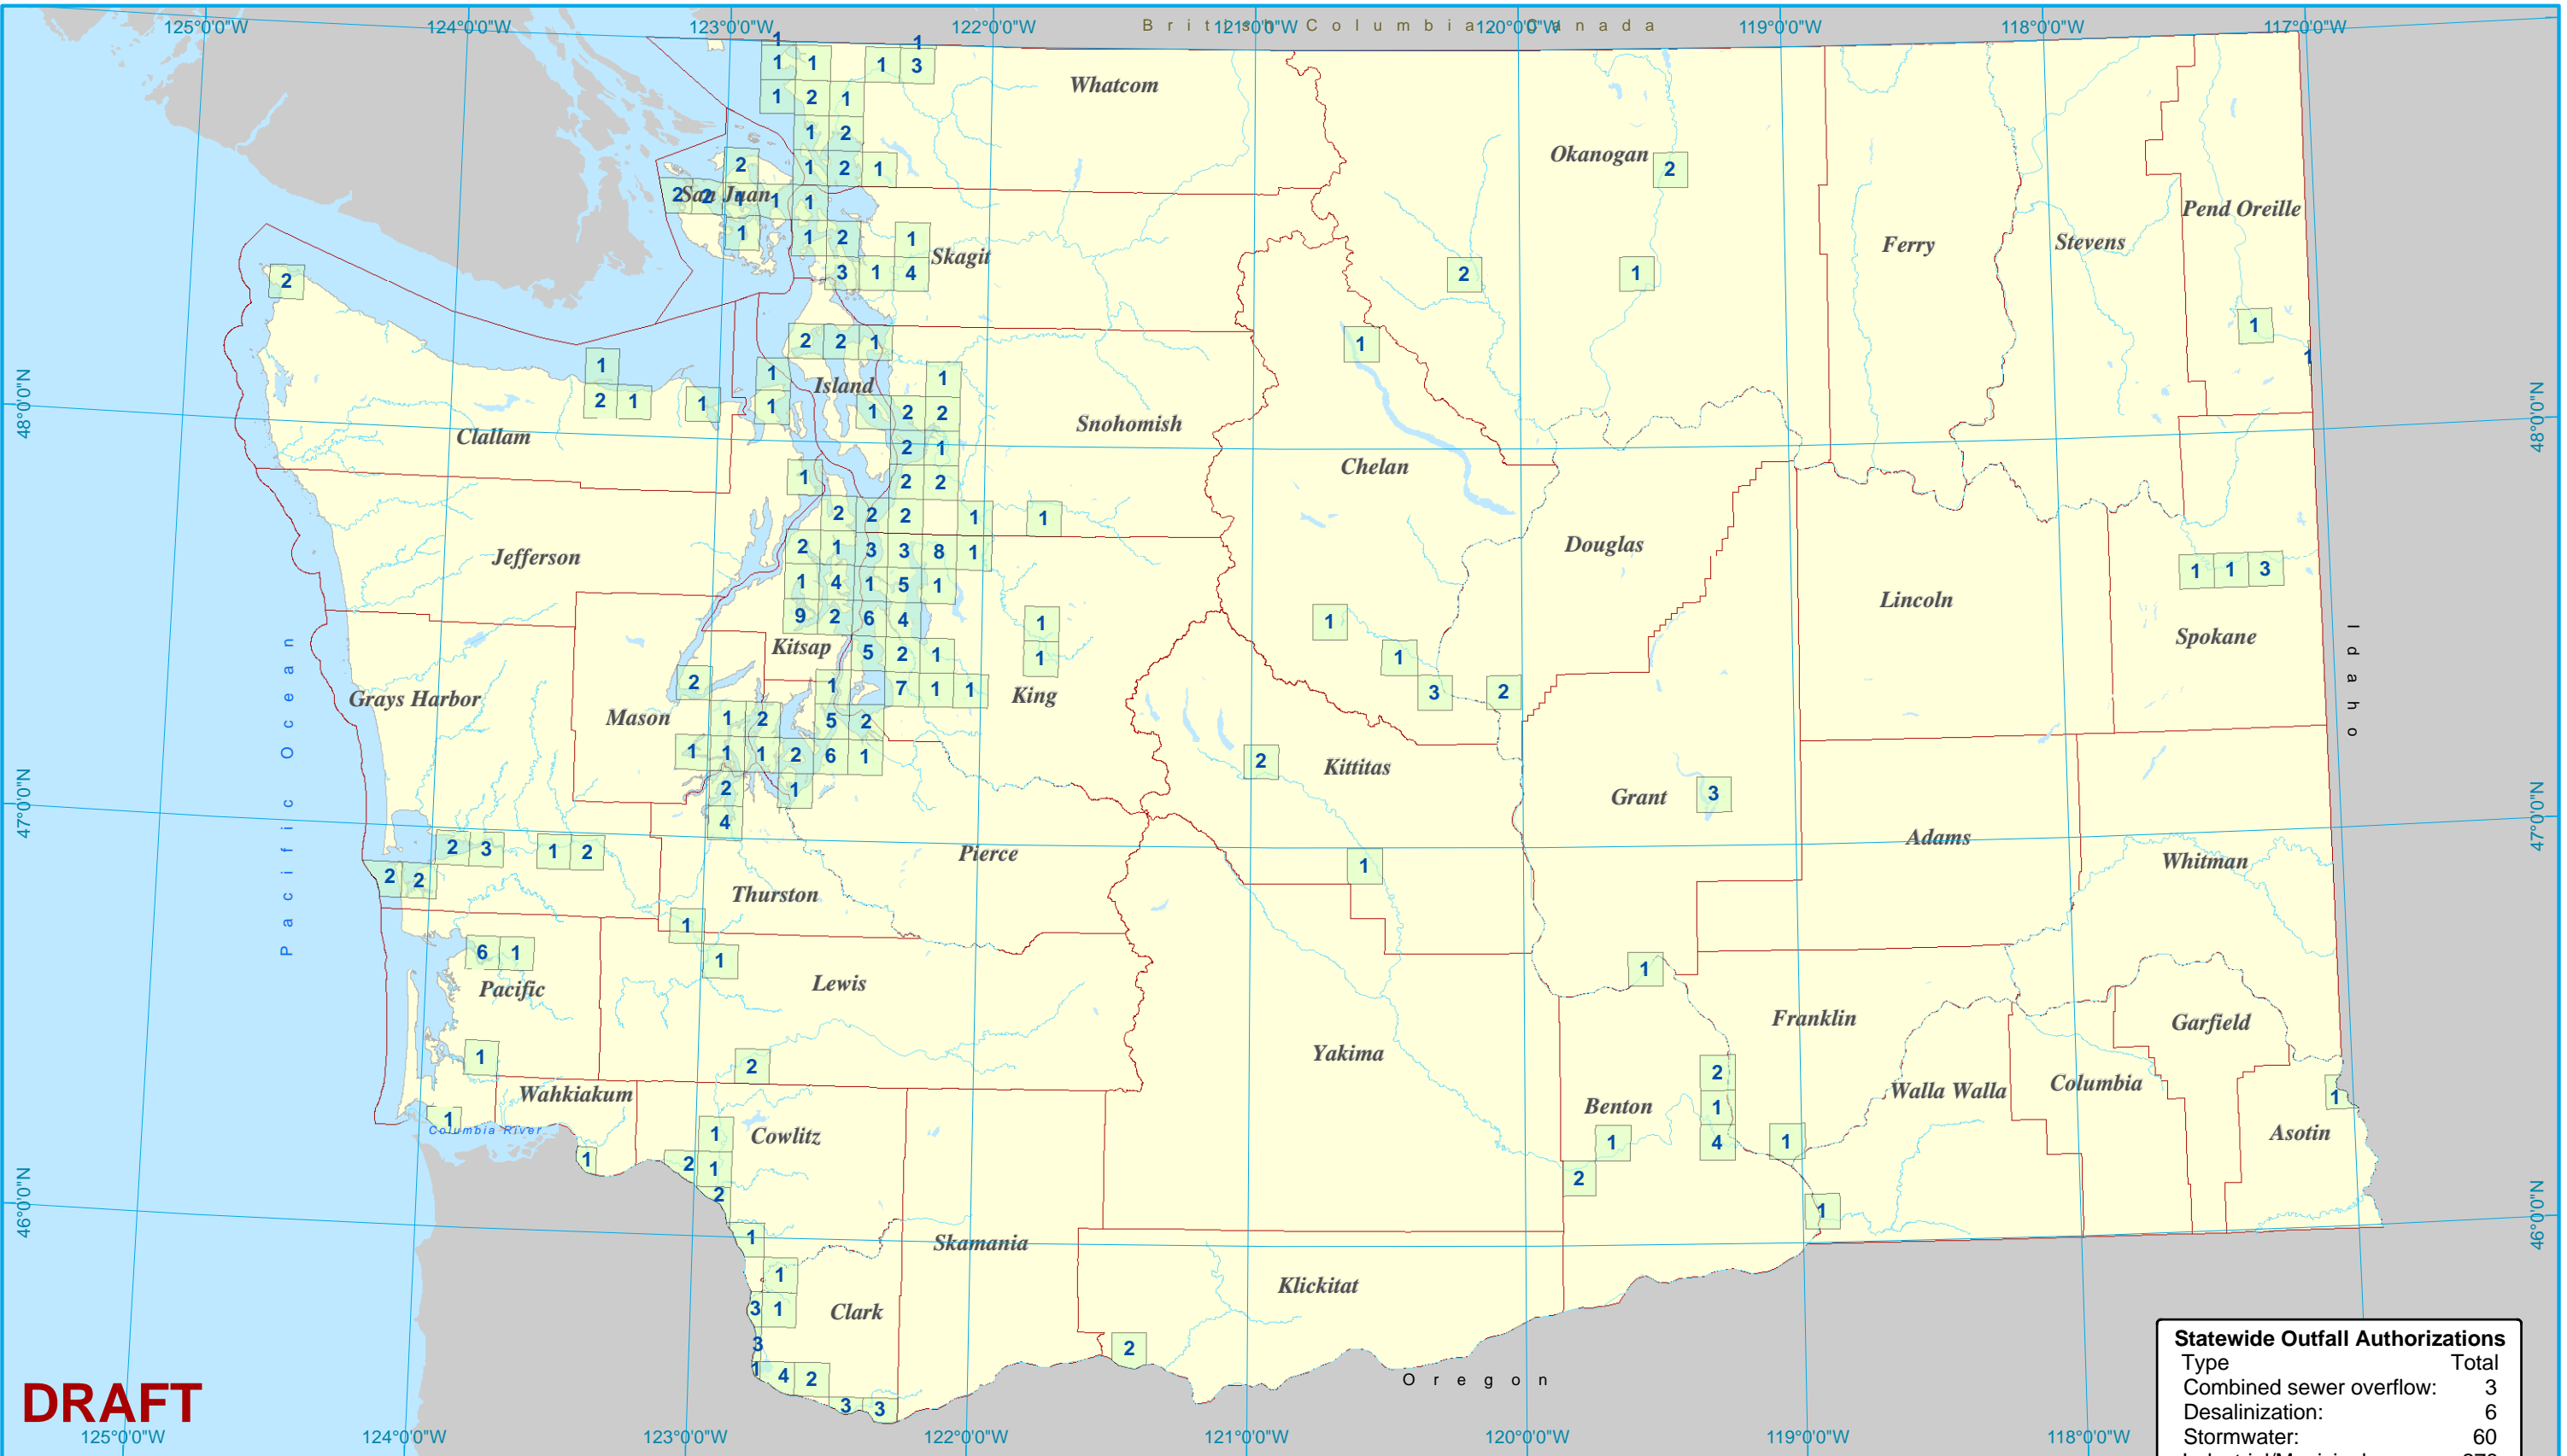

September 28, 2005

Data Sources:
Townships: Washington Dept. of Natural Resources
Authorizations: Washington Dept. of Natural Resources
*NOTE - The number of authorizations within each township will not equal the number listed in the Totals due to some authorizations being duplicated if they occur in more than one township.

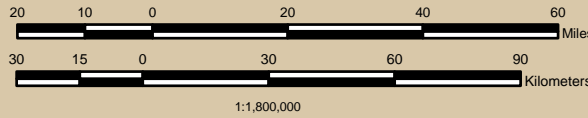

Appendix C 3.2 Distribution and number of authorized leases for Outfalls

Statewide Outfall Authorizations	
Type	Total
Combined sewer overflow:	3
Desalinization:	6
Stormwater:	60
Industrial/Municipal:	278

DRAFT

Outfall Authorizations
X # per township

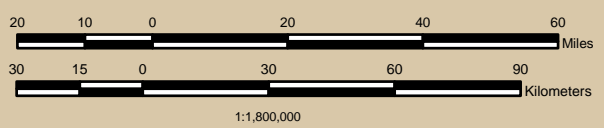

Appendix C 3.3 Distribution and number of authorized leases for Utilities

Statewide Utility Authorizations	
Type	Total
Power and cable lines:	695
Oil/Gas pipeline:	124
Sewer:	47
Water pipeline:	108
Water intake:	48

DRAFT

Authorizations: Washington Dept. of Natural Resources
*NOTE - The number of authorizations within each township will not equal the number listed in the Totals due to some authorizations being duplicated if they occur in more than one township.

Appendix C 3.5 Distribution and number of authorized leases for Flood/Wave/Erosion Control Structures

DRAFT

This map is for planning purposes only. Extreme care was used during the compilation of this map to ensure accuracy. Washington's Department of Natural Resources, ENTRIX and Battelle cannot accept responsibility for errors or omissions, and therefore, there are no warranties that accompany this material.

Data Sources:
Townships: Washington Dept. of Natural Resources
Authorizations: Washington Dept. of Natural Resources
*NOTE - The number of authorizations within each township will not equal the number listed in the Totals due to some authorizations being duplicated if they occur in more than one township.

Statewide Flood, Wave & Erosion Control Authorizations	
Type	Total
Dike/Dam:	18
Fill & Bank Armoring:	78
Breakwater	14

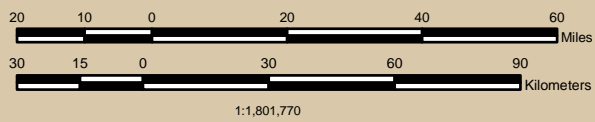

Flood, Wave & Erosion Control Authorizations
X # per township

Appendix C 3.6 Distribution and number of authorized leases for Aquaculture Activities

DRAFT

This map is for planning purposes only. Extreme care was used during the compilation of this map to ensure accuracy. Washington's Department of Natural Resources, ENTRIX and Battelle cannot accept responsibility for errors or omissions, and therefore, there are no warranties that accompany this material.

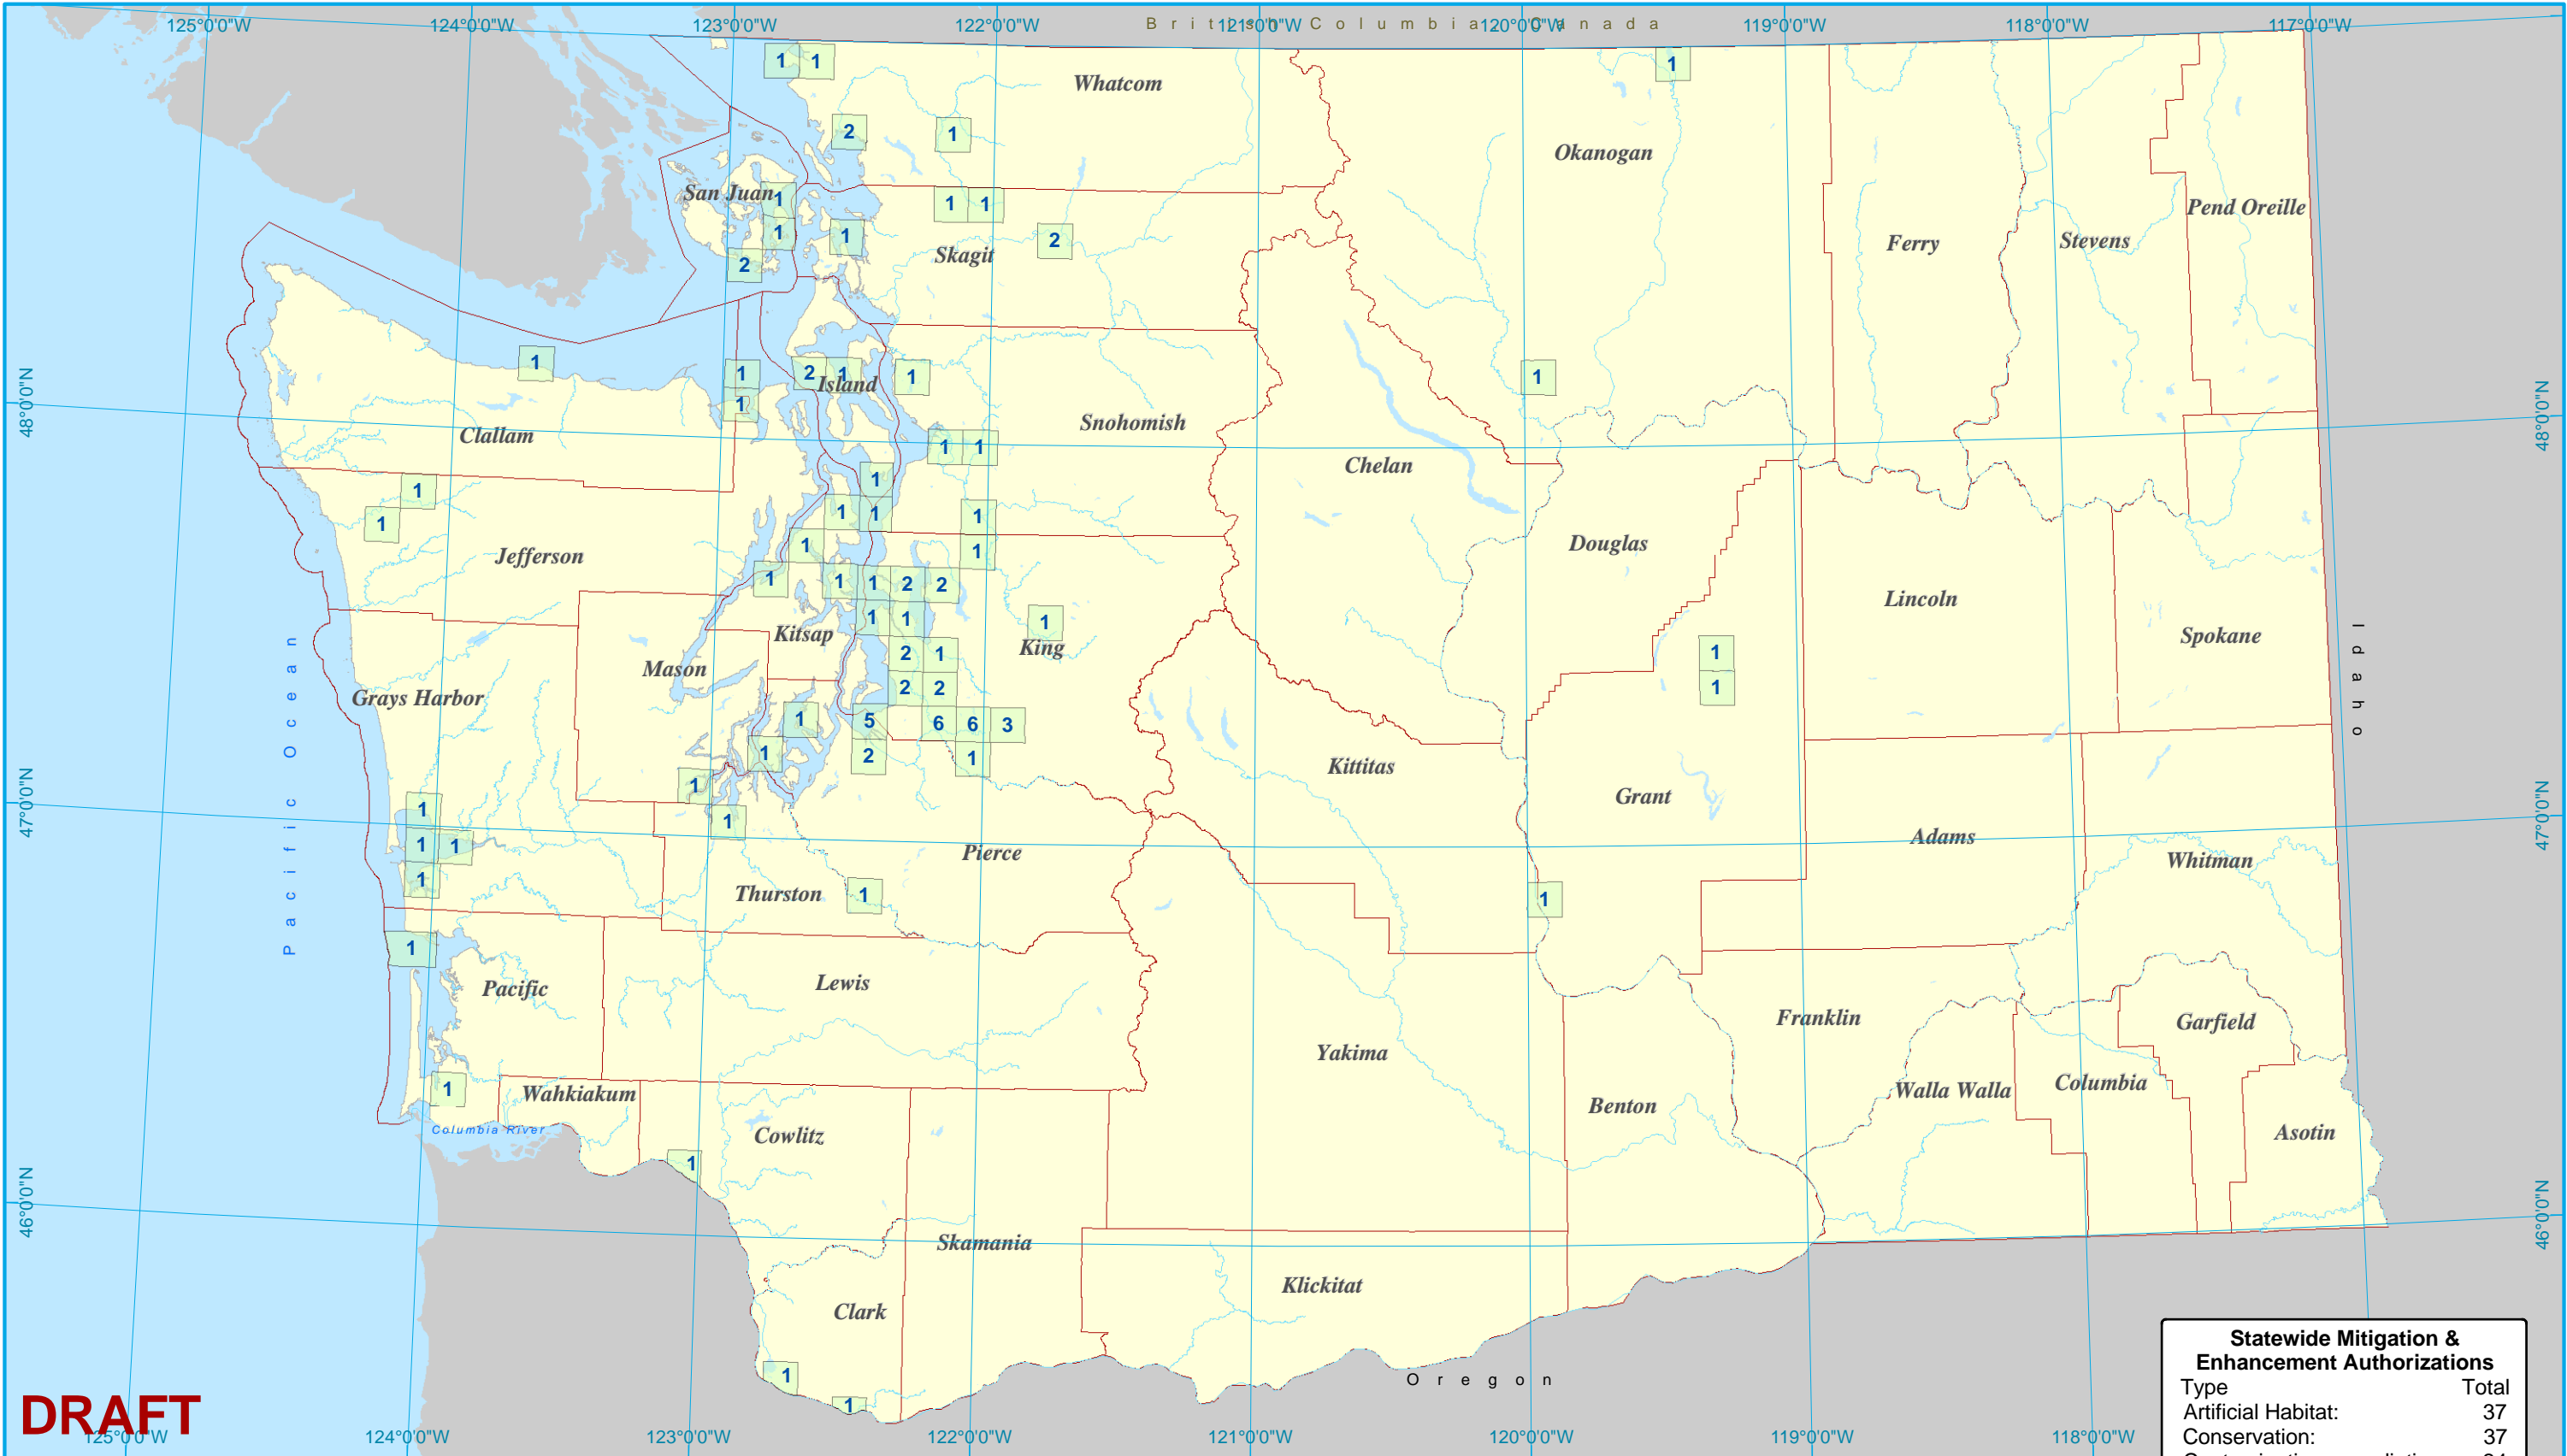

Data Sources:
Townships: Washington Dept. of Natural Resources
Authorizations: Washington Dept. of Natural Resources
*NOTE - The number of authorizations within each township will not equal the number listed in the Totals due to some authorizations being duplicated if they occur in more than one township.

Statewide Aquaculture Authorizations	
Type	Total
Fisheries:	19
Geoduck Clams*:	97
Mussels, Clams and Oysters:	134
Sand Shrimp:	13

*Active Geoduck harvest agreements as of June 23, 2005 per Washington DNR records. The number of lease authorizations does not include completed nor future harvest agreements.

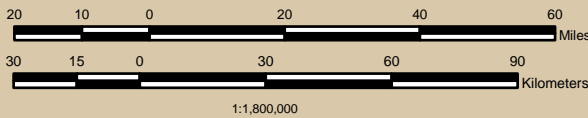

Aquaculture Authorizations
X # per township

Appendix C 3.7 Distribution and number of authorized leases for Mitigation and Enhancement Activities

Statewide Mitigation & Enhancement Authorizations	
Type	Total
Artificial Habitat:	37
Conservation:	37
Contamination remediation:	24

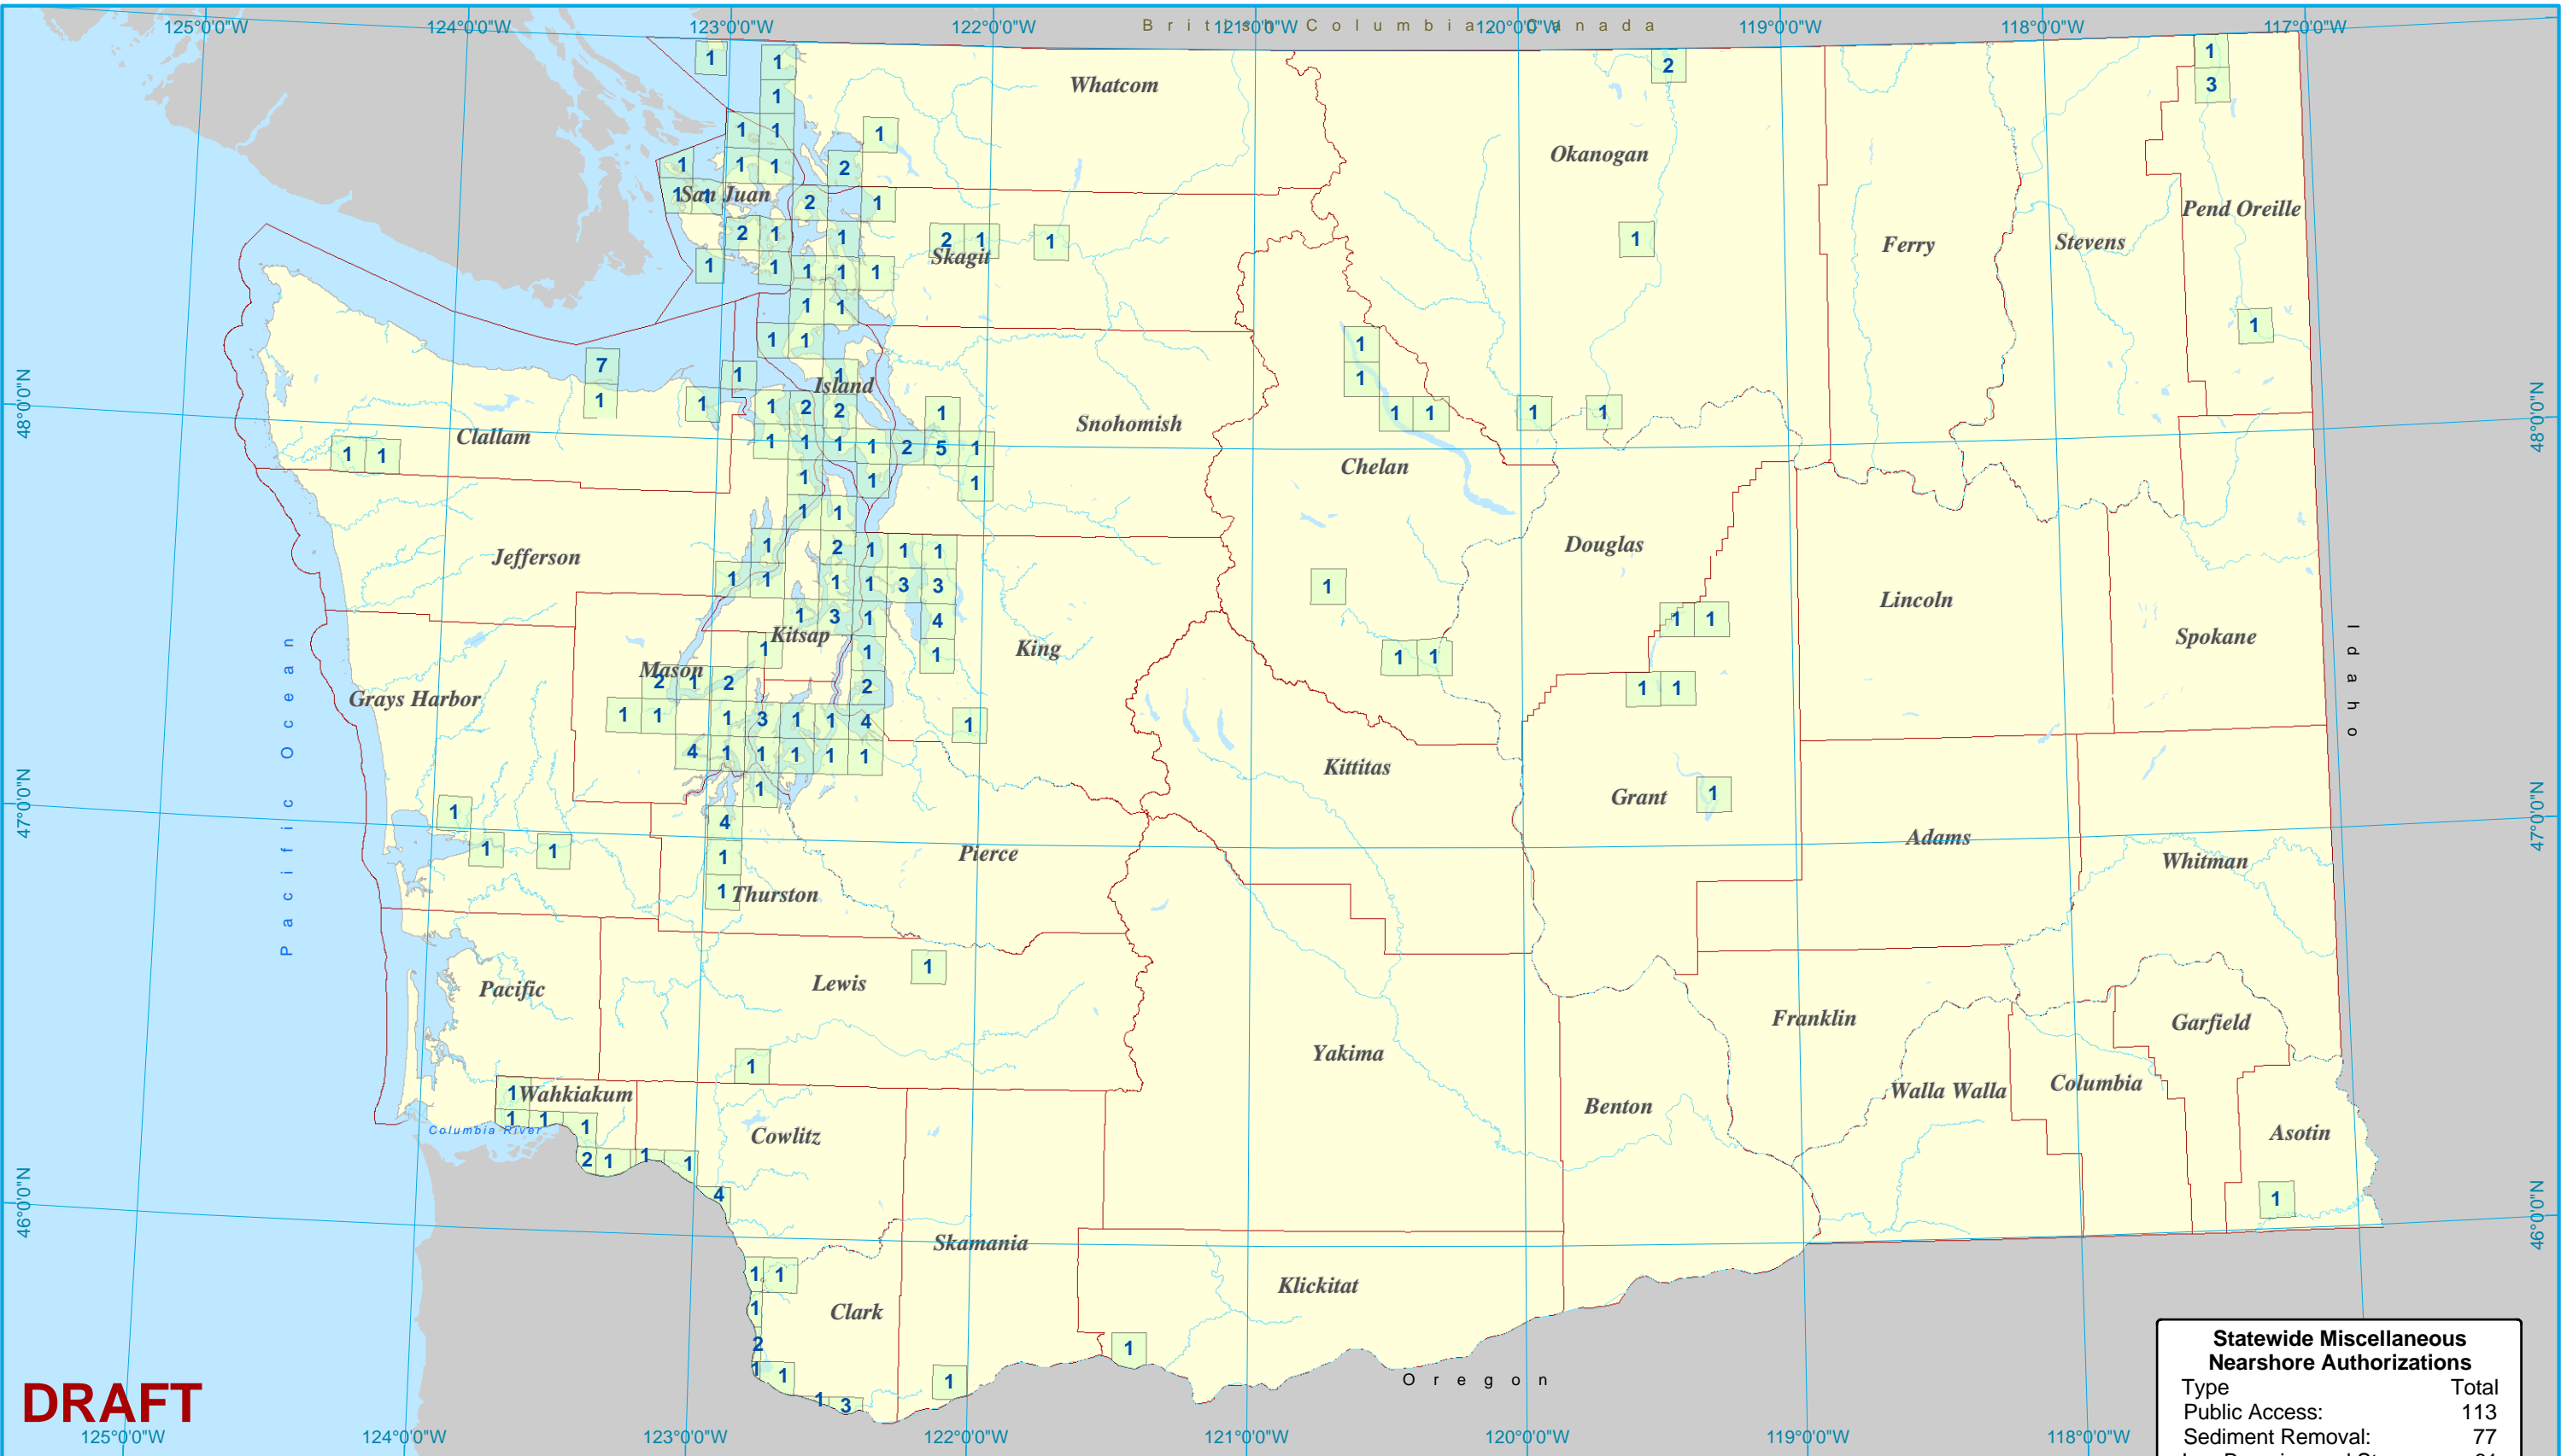

This map is for planning purposes only. Extreme care was used during the compilation of this map to ensure accuracy. Washington's Department of Natural Resources, ENTRIX and Battelle cannot accept responsibility for errors or omissions, and therefore, there are no warranties that accompany this material.

Data Sources:
Townships: Washington Dept. of Natural Resources
Authorizations: Washington Dept. of Natural Resources
*NOTE - The number of authorizations within each township will not equal the number listed in the Totals due to some authorizations being duplicated if they occur in more than one township.

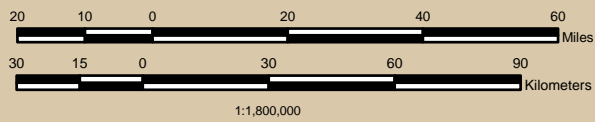

Mitigation & Enhancement Authorizations
X # per township

Appendix C 3.8 Distribution and number of authorized leases for Miscellaneous Nearshore Activities

DRAFT

This map is for planning purposes only. Extreme care was used during the compilation of this map to ensure accuracy. Washington's Department of Natural Resources, ENTRIX and Battelle cannot accept responsibility for errors or omissions, and therefore, there are no warranties that accompany this material.

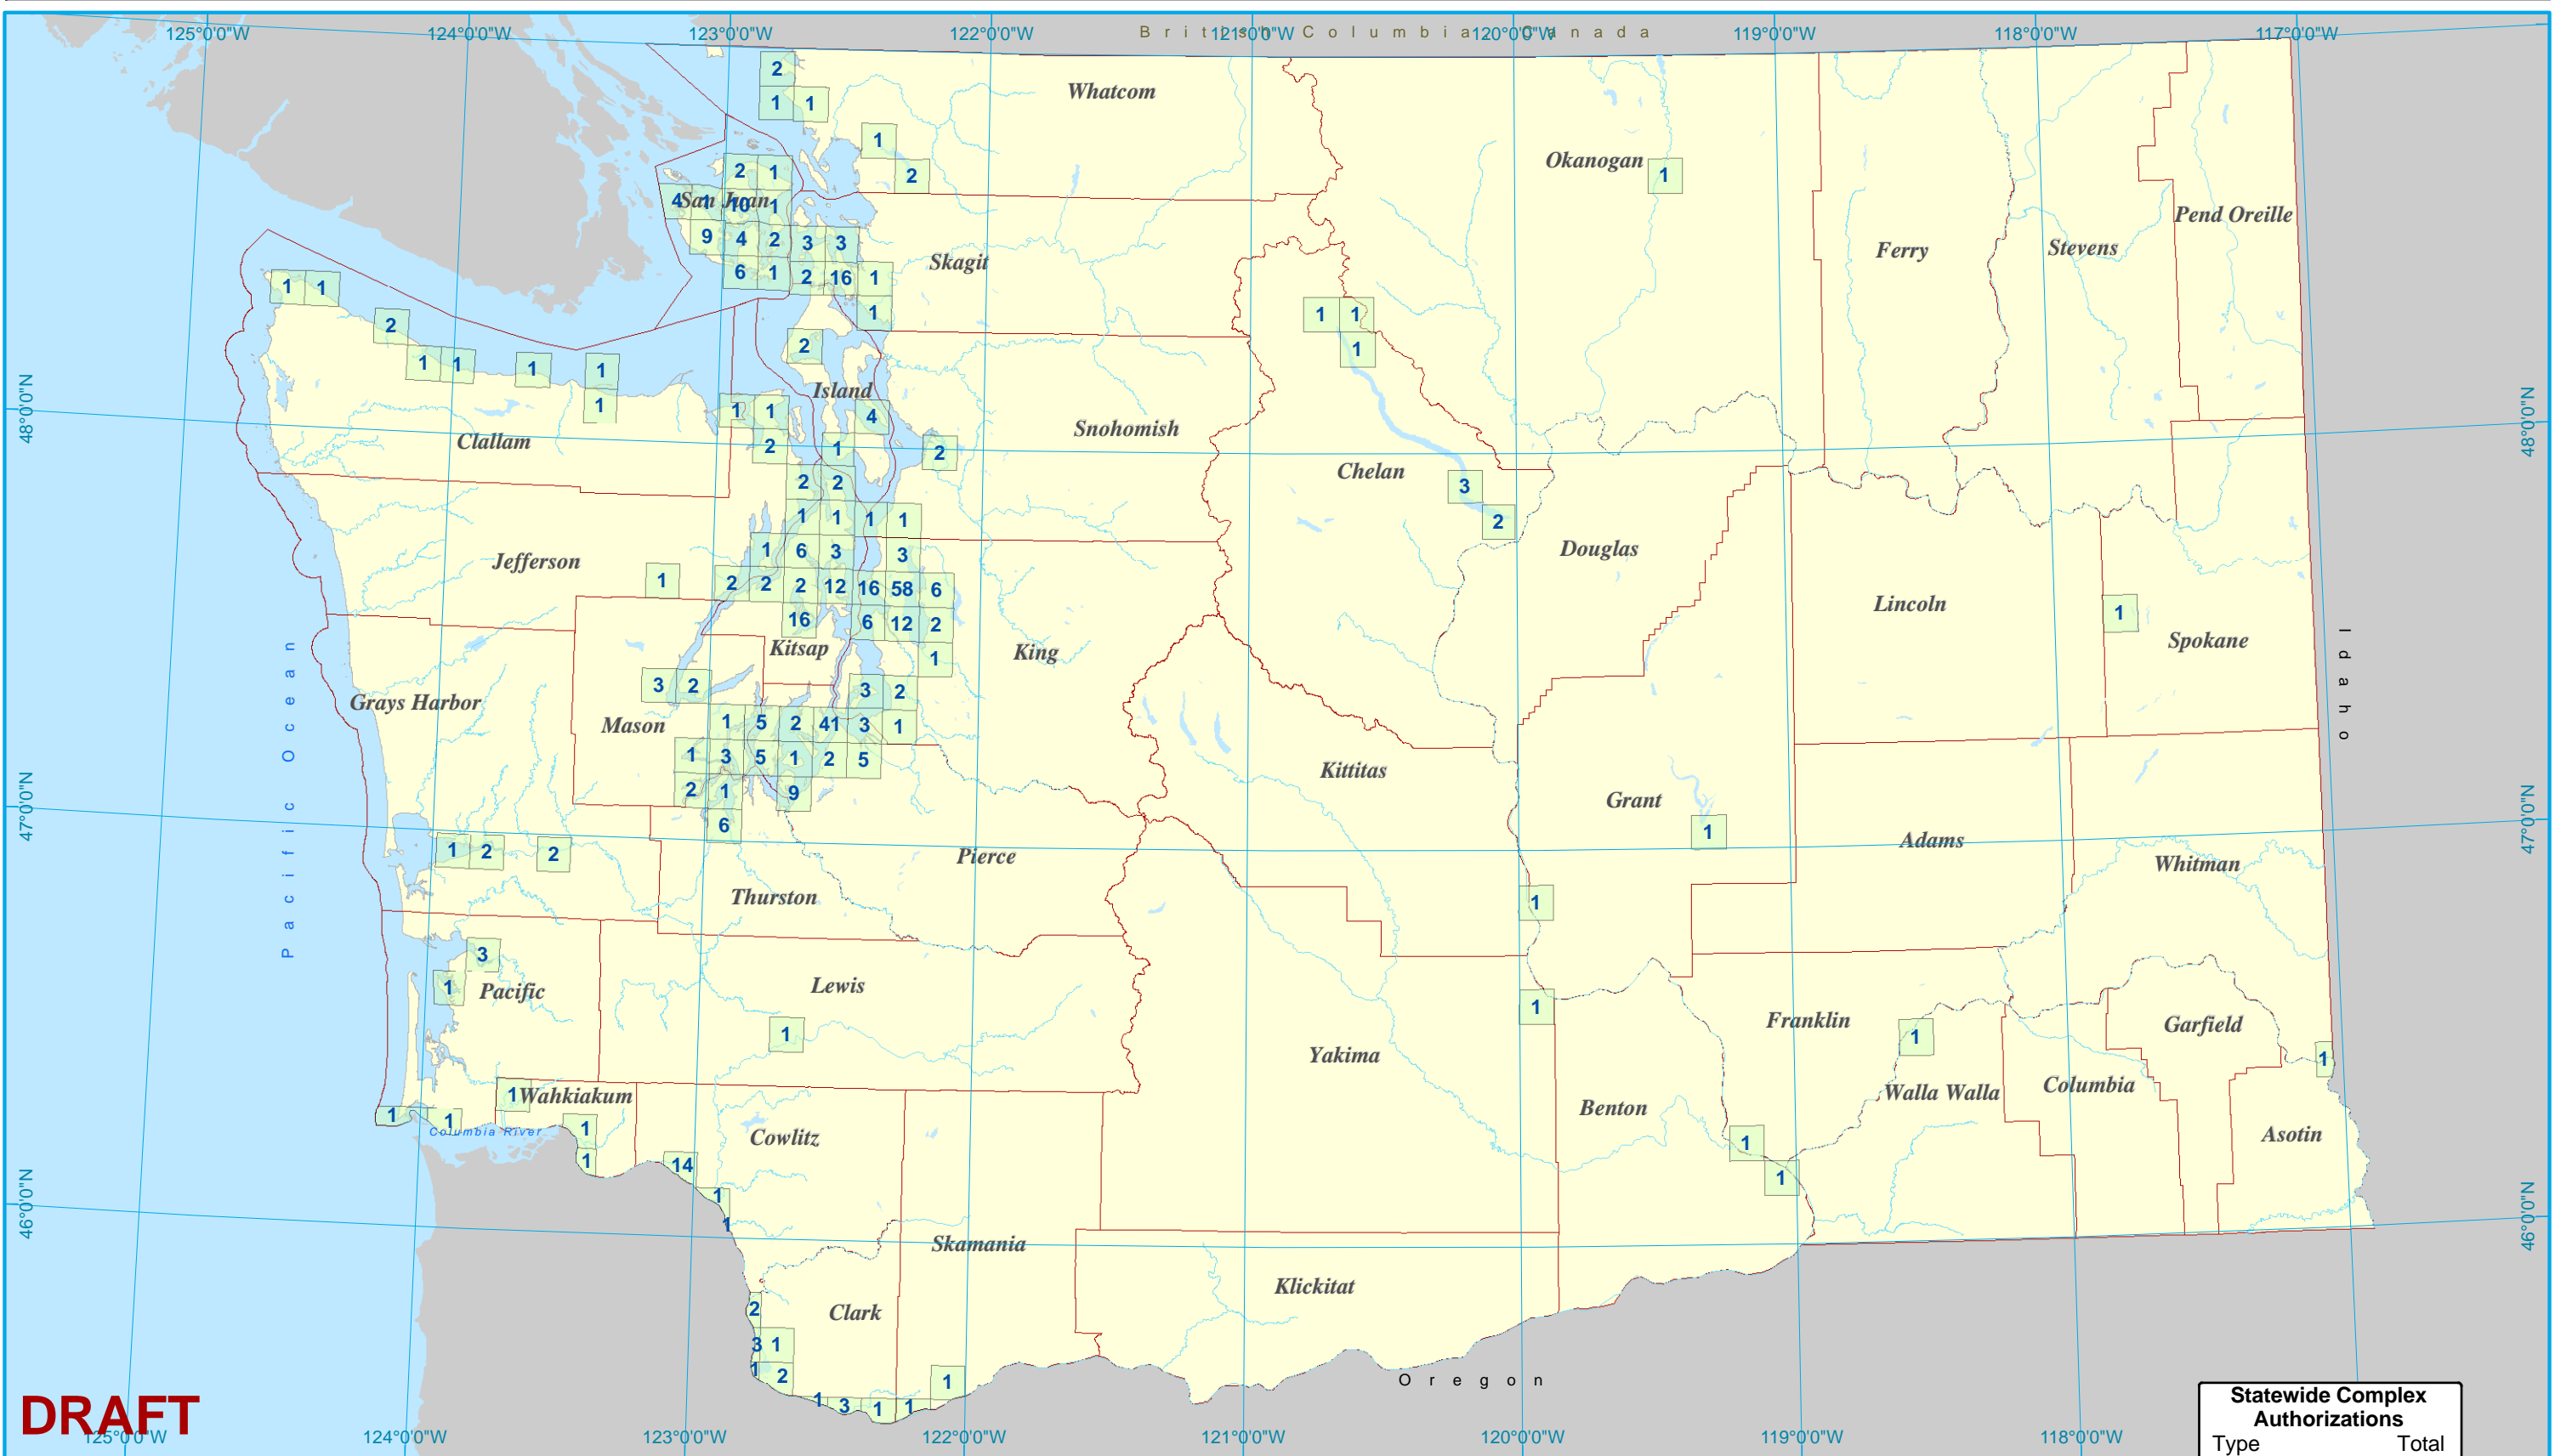

Data Sources:
Townships: Washington Dept. of Natural Resources
Authorizations: Washington Dept. of Natural Resources
*NOTE - The number of authorizations within each township will not equal the number listed in the Totals due to some authorizations being duplicated if they occur in more than one township.

Statewide Miscellaneous Nearshore Authorizations	
Type	Total
Public Access:	113
Sediment Removal:	77
Log Booming and Storage:	61

Miscellaneous Nearshore Authorizations

 # per township

Appendix C 3.9 Distribution and number of authorized leases for Complex Activities

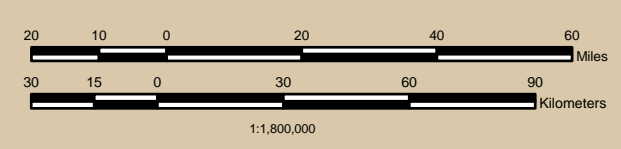

DRAFT

This map is for planning purposes only. Extreme care was used during the compilation of this map to ensure accuracy. Washington's Department of Natural Resources, ENTRIX and Battelle cannot accept responsibility for errors or omissions, and therefore, there are no warranties that accompany this material.

September 28, 2005

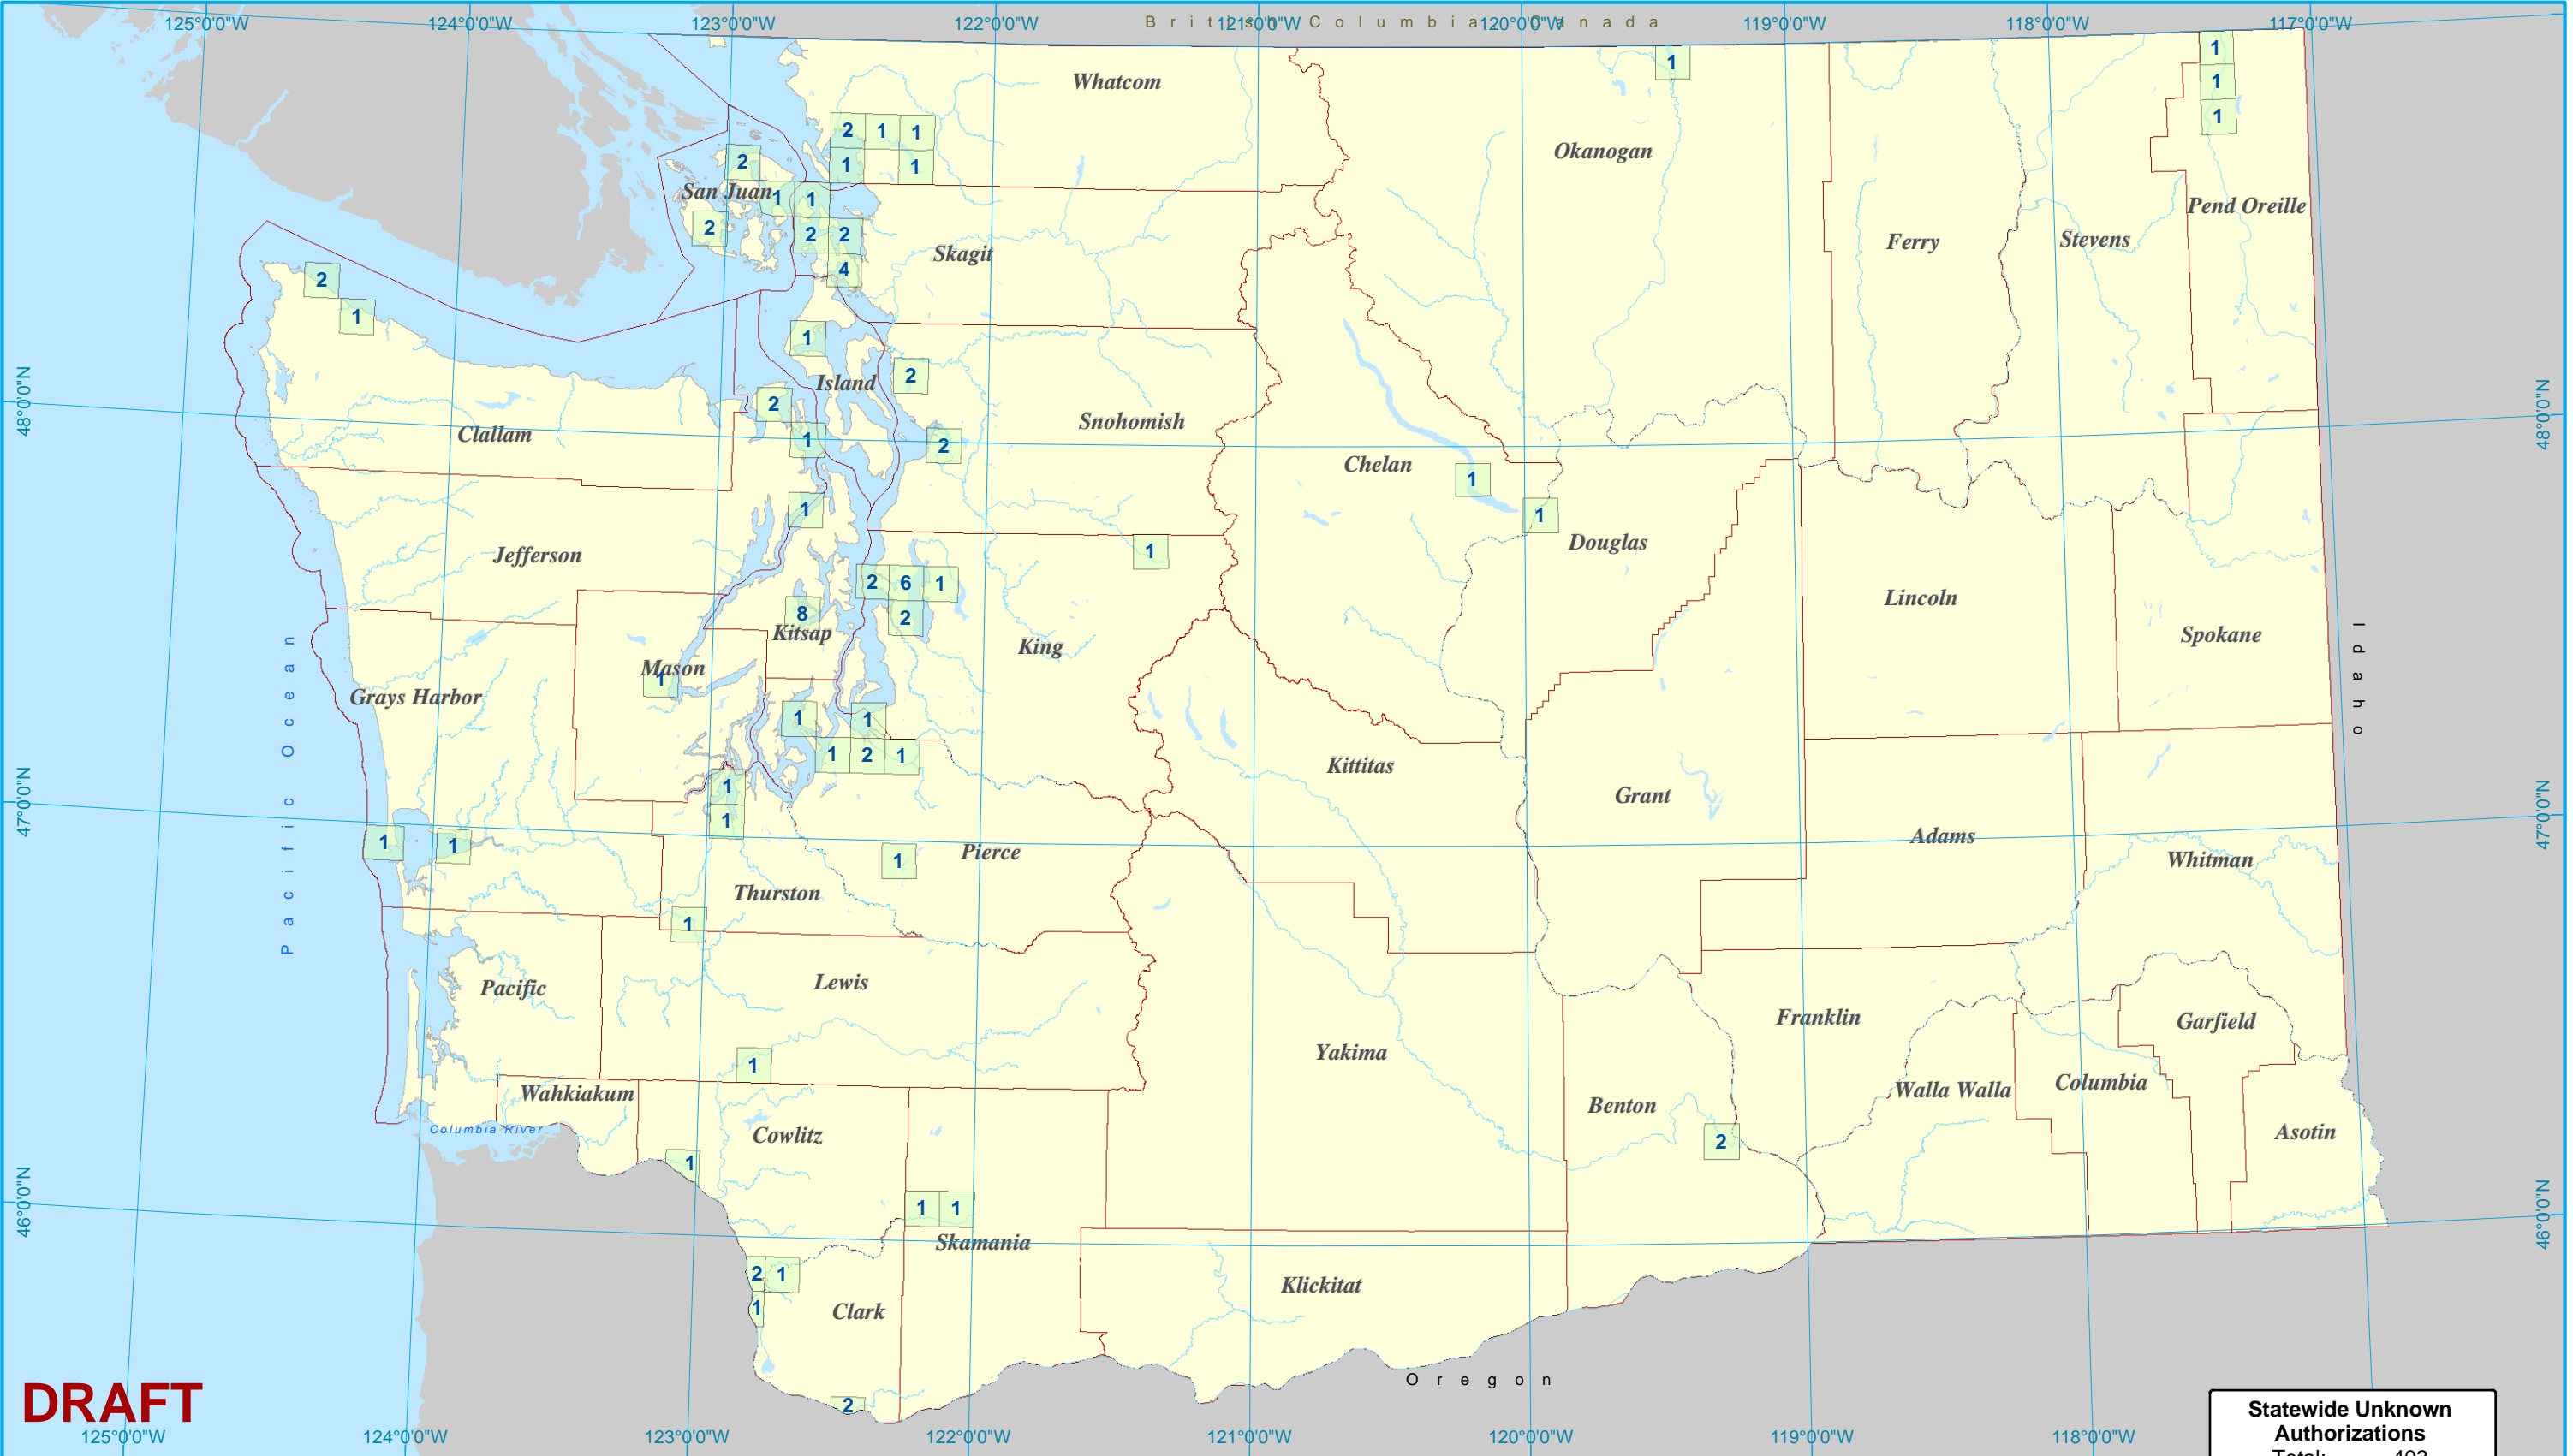

Data Sources:
Townships: Washington Dept. of Natural Resources
Authorizations: Washington Dept. of Natural Resources
*NOTE - The number of authorizations within each township will not equal the number listed in the Totals due to some authorizations being duplicated if they occur in more than one township.

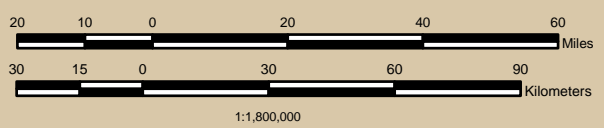

Statewide Complex Authorizations	
Type	Total
Marinas:	394
Terminals:	59

Complex Authorizations
X # per township

Appendix C 3.10 Distribution and number of authorized leases for Unknown Activities

This map is for planning purposes only. Extreme care was used during the compilation of this map to ensure accuracy. Washington's Department of Natural Resources, ENTRIX and Battelle cannot accept responsibility for errors or omissions, and therefore, there are no warranties that accompany this material.

Data Sources:
Townships: Washington Dept. of Natural Resources
Authorizations: Washington Dept. of Natural Resources
*NOTE - The number of authorizations within each township will not equal the number listed in the Totals due to some authorizations being duplicated if they occur in more than one township.

Statewide Unknown Authorizations
Total: 403

Unknown Authorizations
per township
